

MORRIS BUNDI

 Full-Stack Web, Mobile & AI Integration Developer

 +254 743 091 839  morrisbmaina@gmail.com  cozyportfolio.netlify.app

PROFESSIONAL SUMMARY

Motivated, resourceful Full-Stack Developer & AI Integration Specialist with proven expertise building scalable web systems, cross-platform mobile apps (Flutter), and intelligent AI solutions (OpenAI APIs, LLMs). Experienced across the stack from architecting efficient backend databases to shipping high-performance, user-focused web and mobile interfaces. Collaborative and detail-oriented, with a proven track record of end-to-end project delivery from concept to production deployment.

TECHNICAL SKILLS & CORE SPECIALIZATIONS

 AI & Specialization

AI Integration (OpenAI API / LLMs)

Full-Stack Web Engineering

Cross-Platform Mobile (Flutter)

Prompt Engineering

 Languages

Python

JavaScript

Dart

PHP

HTML5 / CSS3

 Frontend

React.js

Flutter

Tailwind CSS

Redux

Responsive Design

 Backend & Database

Laravel (PHP)

Node.js

Express.js

Firebase

MongoDB

PostgreSQL

MySQL

 Tools & Cloud

Git & GitHub

VS Code

Android Studio

Postman

Netlify

cPanel & DNS

PROFESSIONAL EXPERIENCE

Full-Stack Web Developer | SADI Company

Current

- ▶ Engineered and maintained full-stack web applications using Laravel (PHP) for backend logic and React.js for interactive user interfaces.
- ▶ Designed and optimized relational database schemas in PostgreSQL and MySQL for high scalability and query performance.
- ▶ Integrated secure payment gateways and automated invoice management systems to streamline e-commerce workflows.
- ▶ Deployed and maintained web platforms through cPanel, including SSL certificate installation, DNS configuration, and domain management.
- ▶ Collaborated with design teams and project leads to deliver user-centered, secure, and resilient software products.

Web Designer & Developer | Mypocketprofit

Oct – Nov 2024

- ▶ Architected and built the platform frontend and backend using React.js, Node.js, and MongoDB in a modular architecture.
- ▶ Implemented RESTful APIs for real-time data handling, user authentication, and analytics dashboards.
- ▶ Enhanced page load speeds with server-side rendering and Redux state management.
- ▶ Integrated backend reporting systems for business analytics and content tracking.

SELECTED COMMERCIAL & TECH PROJECTS

icare.ke — Apple Authorized Retail & Service Platform

[icare.ke](#) 

Architected and deployed a high-performance e-commerce ecosystem for Apple products with real-time inventory tracking, payment gateway integrations, and trade-in estimation module.

Zortrax Finance — Agricultural Loan Portal

[apply.zortraxfinance.com](#) 

Built a loan management portal enabling fast loan processing for farmers and agribusinesses, with real-time status tracking, document management, and secure payment processing.

KejaKonnnect — Real Estate & Relocation Platform

[kejakonnnectke.co.ke](#) 

Built a property listing platform enabling landlords and agents to showcase rental properties, with search/filtering and trusted mover connections for prospective tenants.

JoweyLuxe — Luxury E-Commerce Storefront

joweyluxe.com 

Developed a minimalist fashion and lifestyle storefront with a performant React.js and Tailwind CSS frontend.

Dr. Birdy Books Protocol — Web3 & DeFi Education

token.drbirdybooks.com 

Built a blockchain-enabled educational platform on Base Network with crypto payment support and token-based features for an e-book marketplace.

TheraPair & AI Chat Assistant — Therapy Mobile App

Flutter & AI Integration

Developed a Flutter/Firebase mobile app pairing users with licensed therapists, with AI-driven chat assistance, secure auth, and scheduling.

EDUCATION & CERTIFICATIONS

Bachelor of Science in Software Engineering

Zetech University — Graduated November 2025

JavaScript Certification — Grasshopper

CORE COMPETENCIES

Advanced Problem-Solving & Critical Thinking • Effective Team Communication & Leadership • AI System Integration & Prompt Engineering • Adaptability & Continuous Learning • Clean Architecture & Meticulous Code Quality
